SUPPORT COORDINATION

Here to support you in accessing and coordinating your supports more effectively. We will ensure the supports are the best for you to meet your goals. We provide a caring and supportive working relationship and can answer any questions you might have as we know it can be tricky at times.

TALK TO US.

Contact our staff at HICSS on 0481 737 029 or on enquiries.hicss@outlook.com for information. You can access our services by speaking to your planner or Local Area Coordinator.

Levels of Coordination

Support connection – We assist you to build your ability to connect with informal, community and funded supports enabling you to get the most out of your plan and achieve your goals.

Support coordination – coordination of supports: We will assist you to build the skills you need to understand, implement and use your plan. A support coordinator will work with you to ensure a mix of supports are used to increase your capacity to maintain relationships, manage your service delivery tasks, live more independently and be included in your community.

What does a Coordinator do?

We can assist you to:

- Source and provide you a list of options with your local providers that best meet your needs.
- Work with you to connect with the providers to individualise supports and develop supports to meet your needs and oversee your Service Agreements and supports so you know your receiving the best.
- Assist you to develop the skills to learn to manage your supports long term.
- Manage crisis situation as they arise.
- Regular check ins and you will have your coordinators direct contact details to make it easier to connect with and able you to have a person centred approach.
